**FIRST  
PUBLIC WARNING**

**DO NOT BRING EVIL TO OUR HOUSE!**

Esteemed European gentlemen,

With this, we are publicly, before  
the entire World, accusing the  
European Union for **the  
deliberate spiritual poisoning of  
the Croatian people.**

At the recently held parliamentary stabbed in the Republic of Croatia,  
according to official polling lists, **participated and 701,711 non-  
existent, imaginary voters.** Under the baton of joint criminal organization  
headed by Branko Hrvatin, mr. iur.,

(2)

president of the Electoral Commission, Jasna Omejec, PhD, President of the Constitutional Court, and Prof. Dr. Sc. Ivo Josipović, President of RH.

**Probably  
by instructions from Brussels.**

For the Croatian people, it was a tremendous ineligible and shame. For the European Union, apparently, standard procedure.

We cannot believe: A. D. 2011.

News is reaching us **that according to the same electoral rules will be hold a referendum** on Croatian accession to European Union.

Of course, it will be under the patronage by **Jose Manuel Barroso, Štefan Füle and inevitable Paul Vandoren.**

Dear European gentlemen,

Time is up; leave the honest Croatian nation in peace. If you are already accustomed with voting of the dead souls, **do not impose your own, unworthy of a civilized man, living criteria to the Croats.**

With respect

Tomislav Dragun, PhD  
President

P.S. -

This Proclamation we will repeat every week to the referendum.
