Application for financial assistance in the preparation
List of Croatian voters.-

Esteemed gentlemen,

At the recently held parliamentary elections in Croatia (elections for Parliament, held on December 3 and 4 2011) **also participated and the 701,711 non-existent, fictitious voters.**

The same will happen, soon, on January, 22 2011 **in a referendum** about the Croatian joining to the EU membership.

Evidence attached:

The request for suspension, the Municipal Civil Court in Zagreb, December, 27 2011

We have asked the State Election Commission access to the list of voters, and in this regard, we instructed the Ministry of Administration.

Evidence attached:

Letter from the State Election Commission, Class: 008-01/11-03/08, File No.: 597-11-03, from December, 22 2011.

We are capable to make a credible list of Croatian voters, and this we want to do, but **we do not have** the necessary financial resources.

Because of that:

We ask for financial support, money that would finance the development of a credible list of Croatian voters.

Tomislav Dragun, Phd.
president
